Abandoned and junked vehicles shall be disposed of according to the procedures of §§ 90.15 et seq.

## ABANDONED VEHICLES

### § 90.15 FINDINGS AND PURPOSE.

§ 90.18 AUTHORITY TO IMPOUND VEHICLES.

(A) Abandoned or junk vehicles. The City Clerk or his or her designee or any peace officer employed or whose services are contracted for by the city may take into custody and impound any abandoned or junk vehicle if the vehicle is on public property. If the abandoned or junk vehicle is located on private property, the vehicle shall not be removed or impounded until the provisions of § 90.18(C) are complied with.

(B) Unauthorized vehicles. The City Clerk, or his or her designee or any peace officer employed or whose services are contracted for by the city may take into custody and impound any unauthorized vehicle under M.S. § 169.041 as it may be amended from time to time. A vehicle may also be impounded after it has been left unattended in one of the following public or private locations for the indicated period of time:

(1) In a public location not governed by M.S. § 169.041 as it may be amended from time to time:

(a) On a highway and properly tagged by a peace officer, four hours;

(B) If the vehicle is on private property, the City Clerk or his or her designee or any peace officer employed or whose services are contracted for by the city may take into custody and impound any abandoned or junk vehicle on private property only with the permission of the owner of the property, a resident, or other person in control of the premises. If permission is denied, the city may declare the existence of the abandoned or junk vehicle to be a nuisance and proceed to abate the nuisance as provided for in §§ 92.15 through 92.21. Once the abatement procedure has been completed, the city may apply for an order from a court of competent jurisdiction authorizing the removal and impoundment of the vehicle and, after the order has been granted, the city may then remove and impound the vehicle.

§ 90.19 SALE; WAITING PERIODS.

(A) Sale after 15 days. An impounded vehicle is eligible for disposal or sale under § 90.23, 15 days after notice to the owner, if the vehicle is determined to be:

(1) A junk vehicle, except that it may have a valid, current registration plate and still be eligible for disposal or sale under this subdivision; or

(2) An abandoned vehicle.

(B) Sale after 45 days. An impounded vehicle is eligible for disposal or sale under § 90.23, 45 days after notice to the owner, if the vehicle is determined to be an unauthorized vehicle.

§ 90.20 NOTICE OF TAKING AND SALE.

(A) Contents; notice given within five days. When an impounded vehicle is taken into custody, the city or impound lot operator taking it into custody shall give notice of the taking within five days. The notice shall:

(1) Set forth the date and place of the taking; the year, make, model and serial number of the impounded motor vehicle if the information can be reasonably obtained; and the place where the vehicle is being held;

(2) Inform the owner and any lien holders of their right to reclaim the vehicle under § 90.21; and

(3) State that failure of the owner or lien holders to exercise their right to reclaim the vehicle and contents within the appropriate time allowed under § 90.19 shall be deemed a waiver by them of all right, title and interest in the vehicle and contents and a consent to the transfer of title to and disposal or sale of the vehicle and contents pursuant to § 90.23.

(B) Notice by mail or publication. The notice shall be sent by mail to the registered owner, if any, of an impounded vehicle and to all readily identifiable lien holders of record. The Department makes this information available to impound lot operators for notification purposes. If it is impossible to determine with reasonable certainty the identity and address of the registered owner and all lien holders, the notice shall be published once in a newspaper of general circulation in the area where the motor vehicle was towed from or abandoned. Published notices may be grouped together for convenience and economy.

(C) Unauthorized vehicles; notice. If an unauthorized vehicle remains unclaimed after 30 days from the date the notice was sent under division (B) of this section, a second notice shall be sent by certified mail, return receipt requested, to the registered owner, if any, of the unauthorized vehicle and to all readily identifiable lien holders of record.

§ 90.21 RIGHT TO RECLAIM.

(A) Payment of charges. The owner or any lien holder of an impounded vehicle shall have a right to reclaim the vehicle from the city or impound lot operator taking it into custody upon payment of all towing and storage charges resulting from taking the vehicle into custody within 15 or 45 days, as applicable under § 90.19, after the date of the notice required by § 90.20.

- (B) Lien holders. Nothing in this chapter shall be construed to impair any lien of a garage keeper under the laws of this state, or the right of a lien holder to foreclose. For the purposes of this section, GARAGEKEEPER is an operator of a parking place or establishment, an operator of a motor vehicle storage facility, or an operator of an establishment for the servicing, repair or maintenance of motor vehicles.

§ 90.22 OPERATOR'S DEFICIENCY CLAIM; CONSENT TO SALE.

(A) Deficiency claim. The nonpublic impound lot operator has a deficiency claim against the registered owner of the vehicle for the reasonable costs of services provided in the towing, storage and inspection of the vehicle minus the proceeds of the sale or auction. The claim for storage costs may not exceed the costs of:

- (1) 25 days storage for a vehicle described in § 90.19(A); and
- (2) 55 days storage for a vehicle described in § 90.19(B).

- (B) Implied consent to sale. A registered owner who fails to claim the impounded vehicle within the applicable time period allowed under § 90.19 is deemed to waive any right to reclaim the vehicle and consents to the disposal or sale of the vehicle and its contents and transfer of title.

§ 90.23 DISPOSITION BY IMPOUND LOT.

(A) Auction or sale.

(1) If an abandoned or unauthorized vehicle and contents taken into custody by the city or any impound lot is not reclaimed under § 90.21, it may be disposed of or sold at auction or sale when eligible pursuant to §§ 90.20 and 90.21.

(2) The purchaser shall be given a receipt in a form prescribed by the Registrar of Motor Vehicles which shall be sufficient title to dispose of the vehicle. The receipt shall also entitle the purchaser to register the vehicle and receive a certificate of title, free and clear of all liens and claims of ownership. Before a vehicle is issued a new certificate of title, it must receive a motor vehicle safety check.

(B) Unsold vehicles. Abandoned or junk vehicles not sold by the city or public impound lots pursuant to division (A) of this section shall be disposed of in accordance with § 90.24.

(C) Sale proceeds; public entities. From the proceeds of a sale under this section by the city or public impound lot of an abandoned or unauthorized motor vehicle, the city shall reimburse itself for the cost of towing, preserving and storing the vehicle, and all administrative, notice and publication costs incurred in handling the vehicle pursuant to this chapter. Any remainder from the proceeds of a sale shall be held for the owner of the vehicle or entitled lien holder for 90 days and then shall be deposited in the general account of the city.

- (C) Sale proceeds; nonpublic impound lots. The operator of a nonpublic impound lot may retain any proceeds derived from a sale conducted under the authority of division (A) of this section. The operator may retain all proceeds from sale of any personal belongings and contents in the vehicle that were not claimed by the owner or the owner's agent before the sale, except that any suspected contraband or other items that likely would be

subject to forfeiture in a criminal trial must be turned over to the appropriate law enforcement agency.

#### § 90.24 DISPOSAL AUTHORITY.

The city may contract with others or may utilize its own equipment and personnel for the inventory of impounded motor vehicles and abandoned scrap metal and may utilize its own equipment and personnel for the collection, storage and transportation of these vehicles and abandoned scrap metal. The city may utilize its own equipment and personnel only for the collection and storage of not more than five abandoned or unauthorized vehicles without advertising for or receiving bids in any 120-day period.

#### § 90.25 CONTRACTS; REIMBURSEMENT BY MPCA.

(A) MPCA review and approval. If the city proposes to enter into a contract with a person licensed by the MPCA pursuant to this section or a contract pursuant to § 90.24, the MPCA may review the proposed contract before it is entered into by the city, to determine whether it conforms to the MPCA's plan for solid waste management and is in compliance with MPCA rules. A contract that does so conform may be approved by the MPCA and entered into by the city. Where a contract has been approved, the MPCA may reimburse the city for the costs incurred under the contract that have not been reimbursed under § 90.23. Except as otherwise provided in § 90.24, the MPCA shall not approve any contract that has been entered into without prior notice to and without a request for bids from all persons duly licensed by the MPCA to be a party to a disposal contract pursuant to M.S. § 116.07, as it may be amended from time to time; nor that does not provide for a full performance bond; or does not provide for total collection and transportation of abandoned motor vehicles, except that the MPCA may approve a contract covering solely collection or transportation of abandoned motor vehicles where the MPCA determines total collection and transportation to be impracticable and where all other requirements herein have been met and the unit of government, after proper notice and request for bids, has not received any bid for total collection and transportation of abandoned motor vehicles.

(B) The city may perform work. If the city utilizes its own equipment and personnel pursuant to its authority under § 90.24, and the use of the equipment and personnel conforms to the MPCA's plan for solid waste management and is in compliance with MPCA rules, the city may be reimbursed by the MPCA for reasonable costs incurred which are not reimbursed under § 90.23.

(C) The city required to contract work. The MPCA may demand that the city contract for the disposal of abandoned motor vehicles and other scrap metal pursuant to the MPCA's plan for solid waste disposal. If the city fails to contract within 180 days of the demand, the MPCA, through the Department of Administration and on behalf of the city, may contract with any person duly licensed by the MPCA for the disposal.

A release permit may be obtained upon payment of a fee to the City Clerk in accordance with the regular license requirement if the animal is unlicensed, payment of a release fee, and any maintenance costs incurred in capturing and impounding the animal. The release fee shall be as established in the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11, as it may be amended from time to time.

## § 91.02 DOGS

(A) Running at large prohibited. It shall be unlawful for the dog of any person who owns, harbors, or keeps a dog to run at large. A person, who owns, harbors, or keeps a dog which runs at large shall be guilty of a misdemeanor. Dogs on a leash and accompanied by a responsible person or accompanied by and under the control and direction of a responsible person, so as to be effectively restrained by command as by leash, shall be permitted in streets or on public land unless the city has posted an area with signs reading "Dogs Prohibited."

(B) License required.

(1) All dogs over the age of six months kept, harbored, or maintained by their owners in the city, shall be licensed and registered with the city. Dog licenses shall be issued by the City Clerk upon payment of the license fee as established by the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11 of this code, as that ordinance may be amended from time to time. The owner shall state, at the time application is made for the license and upon forms provided, his or her name and address and the name, breed, color, and sex of each dog owned or kept by him or her. No license shall be granted for a dog that has not been vaccinated against rabies, as evidenced by a certificate by a veterinarian qualified to practice in the state in which the dog is vaccinated.

(2) It shall be the duty of each owner of a dog subject to this section to pay to the City Clerk the license fee established in the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11, as it may be amended from time to time.

(3) Upon payment of the license fee as established by the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11 of this code, as that ordinance may be amended from time to time, the Clerk shall issue to the owner a license certificate and metallic tag for each dog licensed. The tag shall have stamped on it the year for which it is issued and the number corresponding with the number on the certificate. Every owner shall be required to provide each dog with a collar to which the license tag must be affixed, and shall see that the collar and tag are constantly worn. In case a dog tag is lost or destroyed, a duplicate shall be issued by the City Clerk. A charge shall be made for each duplicate tag in an amount established in the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11, as it may be amended from time to time. Dog tags shall not be transferable from one dog to another and no refunds shall be made on any dog license fee or tag because of death of a dog or the owner's leaving the city before the expiration of the license period.

(4) The licensing provisions of this division (B) shall not apply to dogs whose owners are nonresidents temporarily within the city, nor to dogs brought into the city for the purpose of participating in any dog show. If the animal owned is a service animal which is capable of being properly identified as from a recognized school for seeing eye, hearing ear, service or guide animals, and the owner is a blind or deaf person, or a person with physical or sensory disabilities, then no license shall be required.

(5) The funds received by the City Clerk from all dog licenses and metallic tags fees as established by the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11 of this code, as that ordinance may be amended from time to time, shall first be used to defray any costs incidental to the enforcement of this chapter; including, but not restricted to, the costs of licenses, metallic tags, and impounding and maintenance of the dogs.

(C) Vaccination.

(1) All dogs kept harbored, maintained, or transported within the city shall be vaccinated at least once every three years by a licensed veterinarian for:

(a) Rabies - with a live modified vaccine;

(2) A certificate of vaccination must be kept on which is stated the date of vaccination, owner's name and address, the animal's name (if applicable), sex, description and weight, the type of vaccine, and the veterinarian's signature. Upon demand made by the City Clerk, the Animal Control Officer or a police officer, the owner shall present for examination the required certificate(s) of vaccination for the animal(s). In cases where certificates are not presented, the owner or keeper of the animal(s) shall have seven days in which to present the certificate(s) to the City Clerk or officer. Failure to do so shall be deemed a violation of this section.  
Penalty, see § 91.99

§ 91.03 NON-DOMESTIC ANIMALS.

It shall be illegal for any person to own, possess, harbor, or offer for sale, any non-domestic animal within the city. Any owner of a non-domestic animal at the time of adoption of this code shall have 30 days in which to remove the animal from the city after which time the city may impound the animal as provided for in this section. An exception shall be made to this prohibition for animals specifically trained for and actually providing assistance to the handicapped or disabled, and for those animals brought into the city as part of an operating zoo, veterinarian clinic, scientific research laboratory, or a licensed show or exhibition.

Penalty, see § 91.99

#### § 91.04 FARM ANIMALS.

Farm animals shall only be kept in an agricultural district of the city, or on a residential lot of at least ten acres in size provided that no animal shelter shall be within 300 feet of an adjoining piece of property. An exception shall be made to this section for those animals brought into the city as part of an operating zoo, veterinarian clinic, scientific research laboratory, or a licensed show or exhibition.

#### § 91.05 IMPOUNDING.

(A) Running at large. Any unlicensed animal running at large is hereby declared a public nuisance. Any Animal Control Officer or police officer may impound any dog or other animal found unlicensed or any animal found running at large and shall give notice of the impounding to the owner of the dog or other animal, if known. The Animal Control Officer or police officer shall not enter the property of the owner of an animal found running at large or the owner of an unlicensed animal unless the officer has first obtained the permission of the owner to do so or has obtained a warrant issued by a court of competent jurisdiction, as provided for in § 10.20, to search for and seize the animal. In case the owner is unknown, the officer shall post notice at the city office that if the dog or other animal is not claimed within the time specified in division (C) of this section, it will be sold or otherwise disposed of. Except as otherwise provided in this section, it shall be unlawful to kill, destroy, or otherwise cause injury to any animal, including dogs and cats running at large.

(B) Biting animals. Any animal that has not been inoculated by a live modified rabies vaccine and which has bitten any person, wherein the skin has been punctured or the services of a doctor are required, shall be confined in the city pound for a period of not less than ten days, at the expense of the owner. The animal may be released at the end of the time if healthy and free from symptoms of rabies, and by the payment of all costs by the owner. However, if the owner of the animal shall elect immediately upon receipt of notice of need for the confinement by the officer to voluntarily and immediately confine the animal for the required period of time in a veterinary hospital of the owner's choosing, not outside of the county in which this city is located, and provide immediate proof of confinement in the manner as may be required, the owner may do so. If, however, the animal has been inoculated with a live modified rabies vaccine and the owner has proof of the vaccination by a certificate from a licensed veterinarian, the owner may confine the dog or other animal to the owner's property.

#### (C) Reclaiming from Humane Society

(1) Payment of the release fee and receipt of a release permit as established by the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11 of this code, as that ordinance may be amended from time to time.

(2) Payment of maintenance costs, as provided by the pound, per day or any part of day while animal is in the pound; and

(3) If a dog is unlicensed, payment of a regular license fee as established by the Ordinance Establishing Fees and Charges adopted pursuant to § 30.11 of this code, as that ordinance may be amended from time to time, and valid certificate of vaccination for rabies and distemper shots is required.

#### § 91.06 KENNELS.

(A) Definition of kennel. The keeping of four or more dogs on the same premises, whether owned by the same person or not and for whatever purpose kept, shall constitute a “kennel;” except that a fresh litter of pups may be kept for a period of three months before that keeping shall be deemed to be a “kennel.”

(B) Kennel as a nuisance. Because the keeping of four or more dogs on the same premises is subject to great abuse, causing discomfort to persons in the area by way of smell, noise, hazard, and general aesthetic depreciation, the keeping of four or more dogs on the premises is hereby declared to be a nuisance and no person shall keep or maintain a kennel within the city.  
Penalty, see § 91.99

#### § 91.07 NUISANCES.

(A) Habitual barking. It shall be unlawful for any person to keep or harbor a dog which habitually barks or cries. Habitual barking shall be defined as barking for repeated intervals of at least five minutes with less than one minute of interruption. The barking must also be audible off of the owner's or caretaker's premises.

(B) Damage to property. It shall be unlawful for any person's dog or other animal to damage any lawn, garden, or other property, whether or not the owner has knowledge of the damage.

(C) Cleaning up litter. The owner of any animal or person having the custody or control of any animal shall be responsible for cleaning up any feces of the animal and disposing of the feces in a sanitary manner whether on their own property, on the property of others or on public property.

(D) Warrant required. The Animal Control Officer or police officer shall not enter the property of the owner of an animal described in this section unless the officer has first obtained the permission of the owner to do so or has obtained a warrant issued by a court of competent jurisdiction, as provided for in §10.20, to search for and seize the animal.

(E) Other. Any animals kept contrary to this section are subject to impoundment as provided in §91.05.  
Penalty, see § 91.99

#### § 91.08 SEIZURE OF ANIMALS.

Any police officer or Animal Control Officer may enter upon private property and seize any animal with the permission of the owner of the property, if that person is also the owner of the animal, provided that the following exist:

(A) There is an identified complainant other than the police officer or Animal Control Officer making a contemporaneous complaint about the animal;

(B) The officer reasonably believes that the animal meets either the barking dog criteria set out in §91.07(A); the criteria for cruelty set out in §91.13; or the criteria for an at large animal set out in §91.01(E);

(C) The officer can demonstrate that there has been at least one previous complaint of a barking dog; inhumane treatment of the animal; or that the animal was at large at this address on a prior date;

(D) The officer has made a reasonable attempt to contact the owner of the animal and the property to be entered and those attempts have either failed or have been ignored;

(E) The Animal Control Officer or police officer shall not enter the property of the owner of an animal described in this section unless the officer has first obtained the permission of the owner to do so or has obtained a warrant issued by a court of competent jurisdiction, as provided for in §10.20, to search for and seize the animal. If the animal is ordered into custody for destruction, the owner shall immediately make the animal available to the Animal Control Officer.
