Notes:

Kathy Yamry was hired as the Office Assistant and will begin on May 11th, 2015.

Business:

Paving alley: Cost estimate = \$13,000. Can we assess costs to adjoining land owners?

After driving the 1997 pickup from Upsala Motors they decided to look for something newer. We have a purchase agreement from Gilleland for a 2002 Chevy 4x4 pickup, \$9,094.50 one owner, new tires.

Please bring your information from the solar garden presentation and any other comparable information you have one neighboring cities/entities who have similar agreements or offers.
