Primary Elections: Tuesday, August 14, 2018 Polls open 7am-8pm

Business:

Paving: The township opened the bids for paving 3.3 miles of River Street (9 ton road): Harddrives=\$367,500 Knife River=\$438,000

Technology: Tony Abfalter's estimate for better backups that are currently done on a hard drive about every other week: \$10/month for Veeam back software and \$80/month for secure cloud backup, so total of \$90 a month to backup and have total recovery. This will keep us safe from crypto or any zero day threats. At most we would lose one day worth of work. Right now it would be at minimum two weeks lost if something happened.
