Looking Forward:

Next Council Meeting: Monday, July 9, 2018 at 7:00pm and work session at 6:00pm

Business:

School Crosswalk Streetlight: We are hoping to move the street lighting to shine on the crosswalk from school to the Ped road across CR 17. We would also look to get funding for the crosswalk sign through next phase of Safe Routes to School grant.

Construction Detour and Street Parking: Parking along 4th Street is creating some tight passing lanes for those going around the construction on RD 17 by school. Discuss putting up no parking signs?

Updates on sidewalk and parking area by (Scegura's) Wobegon Trail and River Street during construction and grant opportunities.

Clerks Notes:

Auditor meeting on Wed 6/13
