News from the City of Holdingford, Minnesota January, 2017

## From City Hall January 2017

A very Happy New Year to all... here we are with another year behind us and a brand new year with new goals and surprises, yippee...

The City Center has a small Library that has children and adult reading books. We will be taking donations of gently used books, if you take a book, please return it or bring others to donate for all to enjoy. Thank you.

The city is looking for a group, organization or individual that would be interested in setting up summer recreation at the City Softball Park. The city would like to see the ball park used and enjoyed more fully. This could involve softball leagues, weekend tournaments and other sporting events. If you are interested please contact city hall. Thank you.

With having more snow than we have had in a while, snow banks are getting higher and roads are slippery, please drive slowly on our city streets. The city maintenance crew will be working to make a small skating rink, by the Legion Park area, watch the Marquee for updates.

City Hall has put the final touches on the updated Ordinances and will be moving on to update city personnel policies. The big project that we are working on, will be this summers' rework and repainting of the water tower.

Everyone stay warm, our January weather is frigid.

Respectfully

Sue Marstein Mayor of Holdingford

The City of Holdingford would like to welcome Steve Horvath to the City Public Works department. Steve is a current resident of Holdingford and a member of the local Volunteer Fire Department.
