

CITY OF HOLDINGFORD

SPECIAL MEETING

Wednesday, August 3, 2011

Present at the meeting: All council members, Mayor Ernie Schmit, Scott Lange, Bryan Remer, and many members of the City of Holdingford. (List is at city clerk's office)

Mayor Ernie Schmit called the special meeting to order at 7 p.m.

He introduced Scott Lange, SEH, the city engineer. Scott presented to the community a power point presentation of projected w/s/street improvements for the residents south of Washington St. pursuant to MN Stat. 429.011 to 429.111. Curb and gutter costs will be assessed to the home owner at a cost to be determined.

Water/sewer lines will be replaced in streets up to Gertrude with all streets south of Washington St. will be milled and repaved except Park St.

After the presentation there were several questions from the residents that were answered by Scott. Park St. will not be part of this improvement, although there will be work done to help alleviate erosion on Park St. as this improvement is put in.

The city clerk has a map of the improvements for review.

Meeting adjourned at 8 p.m.

Respectfully submitted,

Victoria R. Statz

City Clerk/Treasurer

City of Holdingford
